

CREMLIN workshop: Engineering for advanced neutron instrumentation and sample environment

Tuesday, 15 May 2018

Session VI: Engineering for advanced instrumentation: Electronics and Software (13:00 - 14:30)

time	[id] title	presenter
13:00	[22] PLCs for neutron instrument control	KLEINES, Harald
13:30	[18] Benefits from standards in instrument control	Mr KRÜGER, Jens
14:00	[10] Electronic design in neutron instrumentation	BUSSMANN, Klaus
